

In his first year at [Baseball Prospectus](#) , **Kevin Goldstein** combined his eye for talent, his broad network of sources and his unique blend of skill analysis and performance analysis to bring minor-league coverage to BP. Now, he synthesizes that information into a complete ranking of the top 100 prospects in the game.

Consider...In the top 25:

- The Devil Rays have four players.
- The Yankees have two players,
- The Royals have two players, as well.

Which club has the best prospect in the game? Read [Top 100 Prospects](#) on **Baseball Prospectus** and find out.
