**Commissioner Selig** was on ESPN's *Mike and Mike* show this morning where the topic of MLB's proposed deal to make **Extra Innings only available on DirecTV** was discussed

. Selig said, "We haven't made a deal yet. ... I've heard a lot of things that quite frankly aren't true." He then added that he expected, "people will understand that we thought all these issues out."

"There's no doubt in my mind that you will be quite surprised at how few people are affected," Selig added.
