

Everyday, sports executives, fans, and media use the Business of Sports Network's family of sites by the thousands to get news and information regarding sports outside the lines. Whether it is breaking news, analysis or insight from our interviews with those in the business of sports, we have been acclaimed as a premier source in sports.

Nationally renowned sports business analyst, [Maury Brown](#), the founder and president of the Business of Sports Network has been sourced for comment and analysis in the media ranging from the CBS Evening News, ESPN, CNBC, Time Magazine, New York Times, Boston Globe, LA Times, XM Radio, and many more.

We also have our content displayed on media sites such as USA Today, Chicago Sun-Times and Reuters, as well as being featured in the **Sports Business Daily**.
